INDEX TO VOLUME 126

A

Abdominal Aorta, Clinical Behavior or Arteriosclerotic Aneurysm of the, 195; (Laroque) Approach, Repair of Sliding Inguinal Hernia through the, 612; Visceral Sensation in Man, 709.
Aberrant Mediastinal Goiter, 797.
Absence, Congenital, of Gallbladder, 229.
Acids, Amino, Pure, in Surgical Nutrition, Use of a Mixture of, 169.
Aciduria, Paradox of, in the Presence of Alkalosis caused by Hypochloremia, 545.
Actinomycosis, Wolff-Israel, Essential Therapeutic Adjuvants in the Surgical Arrest of, 568.
Acute Cholecystitis following the Surgical Treatment of Unrelated Disease, 411; Intestinal Obstruction, Bezoars causing, 56; Intestinal Obstruction Due to Orange Pulp Bezoar, 251.
ADAMS, W. E., *et al.*: An Evaluation of Methods of Penicillin Therapy in Thoracic Surgery, 579.
Adhesions, Intra-abdominal, in Rabbits, Effect of Heparin upon, 324.
Adjuvants, Essential, Therapeutic, in the Surgical Arrest of Wolff-Israel Actinomycosis, 568; to Surgical Therapy in Large Bowel Malignancy, 439.
Adrenal Gland, Human, Question of Regeneration of Nerve Fibers to the, after Bilateral Sympathectomy, 332.
Aged, Urgent Surgery in the, 763.
Alimentary Tract, Duplications of the, 289.
Alkalosis Caused by Hypochloremia, Paradox of Aciduria in the Presence of, 545.
ALLEN, ARTHUR W., *et al.*: Carcinoma of the Colon, 19.
ALTEMEIER, W. A., *et al.*: Toxoid Immunization in Experimental Gas Gangrene, 509.
Alterations in Blood Flow through the Vessels in Vein Walls and the Possible Relation to Thrombosis, Effects on Venous Endothelium of, 270.
Amino Acids, Pure, in Surgical Nutrition, Use of a Mixture of, 169.
Anastomosis, Primary, and Resection, in the Treatment of Gangrenous or Non-reducible Intussusceptions in Children, 788.
Anemia, Familial Hemolytic, and its Surgical Aspect with Special Reference to a Case Complicated by the RH Factor, 990.
Anesthesia, Specialty of, 486.
Aneurysm, Arteriosclerotic, of the Abdominal Aorta, Clinical Behavior of, 195.
ANNOUNCEMENT: Urology Award, 989.
Ano, Resection of Fistulae in, Successful Method for Securing Primary Wound Healing after, 320.
Aorta, Abdominal, Clinical Behavior of Arteriosclerotic Aneurysm of the, 195.
Appendiceal Stump, the, 814.
Appendicectomy Cases, Psychiatric Study of Sixty-one, 305.
Appendicitis, Acute, at a University Hospital, 1916 to 1946, Observations on Mortality from, 448.
Appendix and Colon, Multiple Polyposis of the Colon with Malignant Change Involving, 262.
Arterial Disease, Obliterative, Sympathectomy for, Indications and Contraindications, 873.
Arterial Injuries, 866.
Arteriosclerotic Aneurysm of the Abdominal Aorta, Clinical Behavior of, 195.
Arteriovenous Fistula, Pulmonary Cavernous Hemangioma with, 965.
Artery, Persistent Omphalomesenteric (Vitelline) Causing Intestinal Obstruction and Gangrene of Meckel's Diverticulum, 358.

B

Banti's Syndrome, Gastro-esophageal Resection and Total Gastrectomy in the Treatment of Bleeding Varicose Veins in, 397.
BARTLETT, J. P., *et al.*: An Evaluation of Methods of Penicillin Therapy in Thoracic Surgery, 579.
Baseball Players, Shoulder and Elbow Lesions Distinctive of, 107.
BAUMEISTER, CARL F., and DARLING, DUANE D.: Acute Intestinal Obstruction due to Orange Pulp Bezoar, 251.
BEECHER, HENRY K.: The Specialty of Anesthesia, 486.
BENDER, DORIS H., *et al.*: Adjuvants to Surgical Therapy in Large Bowel Malignancy, 439.
BENNETT, GEORGE E.: Shoulder and Elbow Lesions Distinctive of Baseball Players, 107.
BERRY, FRANK B., and THOMPSON, JAMES E.: Penetrating Wounds of Major Joints, 947.
Bezoar, causing Acute Intestinal Obstruction, 56; Orange Pulp, Acute Intestinal Obstruction due to, 251.
Bilateral Sympathectomy, Question of Regeneration of Nerve Fibers to the Human Adrenal Gland after, 332.
BISGARD, J. DEWEY: Pulmonary Cavernous Hemangioma with Arteriovenous Fistula, Surgical Management, 965.
BLAKEMORE, ARTHUR H.: The Clinical Behavior of Arteriosclerotic Aneurysm of the Abdominal Aorta: A Rational Surgical Therapy, 195; Restorative Endoaneurysmorrhaphy by Vein Graft Iniay, 841.
BLANTON, SMILEY, and KIRK, VIRGINIA: A Psychiatric Study of Sixty-one Appendicectomy Cases, 305.
Bleeding Varicose Veins in Banti's Syndrome, Gastro-esophageal Resection and Total Gastrectomy in the Treatment of, 397.
Blood Flow, through the Vessels in Vein Walls and the Possible Relation to Thrombosis, Effects on Venous Endothelium of Alterations in, 270.
BLOOR, B. M., *et al.*: The Effect of Heparin upon Intra-abdominal Adhesions in Rabbits, 324.
Body Water, Redistribution of, and the Fluid Therapy of the Burned Patient, 1010.
Bone Bank, Experiences with a, 932.
BOOK REVIEW: Diagnosis and Treatment of Menstrual Disorders and Sterility, 380.
"Borrowing-lending" Hemodynamic Phenomenon (Hemometakinesia) and its Therapeutic Application in Peripheral Vascular Disturbances, 850.
Bowel, Large, and Rectum, Radical Resection of the, for Carcinoma. A Consideration of Pathological Factors Influencing Five-year Survival in, 421.
BRADLEY, WILLIAM F., *et al.*: Gastric Neurectomy for Gastric and Duodenal Ulceration, 1; *et al.*: A Study of the Results, both Favorable and Unfavorable, of Section of the Vagus Nerves in the Treatment of Peptic Ulcer, 679.
BRAUND, RALPH R.: Laryngo-esophagectomy, 215.
BROOKS, FRANK P., *et al.*: Carcinoma of the Thyroid, 140.
BROWN, JAMES BARRETT, and CANNON, BRADFORD: Repair of Major Facial Injuries, 624.
BRUNSCHWIG, ALEXANDER, and SCHAFER, PAUL W.: Experiences in the Surgical Treatment of Multiple Visceral Neoplasms, 780.
BURCH, GEORGE, *et al.*: The "Borrowing-lending" Hemodynamic Phenomenon (Hemometakinesia) and its Therapeutic Application in Peripheral Vascular Disturbances, 850.
Burned Patient, Redistribution of Body Water and the Fluid Therapy of the, 1010.

C

CALLOWAY, NATHANIEL O., *et al.*: Studies in Postoperative Convalescence, 592.
Cancer, Control of, 478.
CANNON, BRADFORD, and BROWN, JAMES BARRETT: Repair of Major Facial Injuries, 624.
Carcinoma, a Complication of: Spontaneous Ileocolic Fistula, 246; A Consideration of Path-

ological Factors Influencing Five-year Survival in Radical Resection of the Large Bowel and Rectum for, 421; Management of, in the Several Parts of the Colon, 125; of the Colon, 19; of the Thyroid, 140; Primary of the Lung, with Invasion of the Ribs, 156.
Cases, Appendicectomy, Psychiatric Study of Sixty-one, 305.
Causation of Diabetes Insipidus, Role of Pinealomas in the, 725.
Change, Malignant, Involving Colon and Appendix, Multiple Polyposis of the Colon with, 262.
Children, Resection and Primary Anastomosis in the Treatment of Gangrenous or Non-reducible Intussusceptions in, 788.
Cholecystectomy, Inflammatory Obliteration of the Common and Hepatic Ducts following, 811; Persistence of Symptoms following, 31.
Cholecystitis, Acute, following the Surgical Treatment of Unrelated Disease, 411.
Chondrosarcoma, 895.
CHURCHILL, EDWARD D.: Science and Humanism in Surgery, 381.
Circulation of the Lower Extremities, Effect of Rotation on the, 243.
Clinical Behavior of Arteriosclerotic Aneurysm of the Abdominal Aorta: A Rational Surgical Therapy, 195.
COLE, WARREN H., *et al.*: Studies in Postoperative Convalescence, 592.
COLEMAN, FRANK PHILIP: Primary Carcinoma of the Lung, with Invasion of the Ribs, 156.
Colon, and Appendix, Multiple Polyposis of the Colon with Malignant Change Involving, 262; Carcinoma of the, 19; Enema Tube Perforation of the, 377; Management of Carcinoma in the Several Parts of the, 125; Multiple Polyposis of the, with Malignant Change Involving Colon and Appendix, 262.
Colostomies, Management of, Performed for War Injuries, 253.
Common and Hepatic Ducts, Inflammatory Obliteration of the, following Cochlecystectomy, 811.
Congenital Absence of Gallbladder, 229.
Consideration of Pathological Factors Influencing Five-year Survival in Radical Resection of the Large Bowel and Rectum for Carcinoma, 421.
Contraindications and Indications: Sympathectomy for Obliterative Arterial Disease, 873.
Control, of Cancer, 478; of Hemorrhage from Wounds of the Heart by the Gelatin Sponge "Patch" Technic, 973.
Convalescence, Postoperative, Studies in, 592.
COPE, OLIVER, and MOORE, FRANCIS D.: Redistribution of Body Water and the Fluid Therapy of the Burned Patient, 1010.
Coronary Thrombosis, Pathophysiology of the Cause of Death from, 523.
Cortical Excision, Treatment of Focal Epilepsy by, 740.
CRIDER, RUSSELL L., and WOMACK, NATHAN A.: The Persistence of Symptoms following Cholecystectomy, 31.
CULBERTSON, W. R., *et al.*: Toxoid Immunization in Experimental Gas Gangrene, 509.
Cure, Surgical, of Urinary Incontinence in Women, 64.
CUTLER, CONDICT W., JR.: Urgent Surgery in the Aged, 763.
Cysts, Retroperitoneal, 340.

D

DARLING, DUANE D., and BAUMEISTER, CARL F.: Acute Intestinal Obstruction due to Orange Pulp Bezoar, 251.
DAVID, VERNON C., and GILCHRIST, R. K.: A Consideration of Pathological Factors Influencing Five-year Survival in Radical Resection of the Large Bowel and Rectum for Carcinoma, 421.
DAVIS, CARL, JR.: Enema Tube Perforation of the Colon, 377.
DAVIS, LOYAL, and MARTIN, JOHN: Studies upon Spinal Cord Injuries, 472.
Death from Coronary Thrombosis, Pathophysiology of the Cause of, 523.
DEBAKEY, MICHAEL E., *et al.*: The "Borrowing-lending" Hemodynamic Phenomenon (Hemometakinesia) and its Therapeutic Application in Peripheral Vascular Disturbances, 150.
DECAMP, PAUL T., *et al.*: Essential Therapeutic Adjuvants in the Surgical Arrest of Wolff-Israel Actinomycosis, 568.
DENBER, HERMAN C. B.: The Question of Regeneration of Nerve Fibers to the Human Adrenal Gland after Bilateral Sympathectomy, 332.
DENNIS, CLARENCE: Resection and Primary Anastomosis in the Treatment of Gangrenous or Non-reducible Intussusceptions in Children, 788.
Diabetes Insipidus, Role of Pinealomas in the Causation of, 725.
Disease, Unrelated, Acute Cholecystitis following the Surgical Treatment of, 411.
DONALDSON, GORDON A., *et al.*: Carcinoma of the Colon, 19.
DONNELLY, JOHN H., *et al.*: An evaluation of Methods of Penicillin Therapy in Thoracic Surgery, 579.
DONOVAN, EDWARD J., and SANTULLI, THOMAS V.: Duplications of the Alimentary Tract, 289.
DORTCH, HUGH, JR., *et al.*: The Effect of Heparin upon Intra-abdominal Adhesions in Rabbits, 324.
DRAGSTEDT, LESTER R., *et al.*: Section of the Vagus Nerves to the Stomach in the Treatment of Peptic Ulcer, 687.
Ducts, Common and Hepatic, Inflammatory Obliteration of the, following Cholecystectomy, 811.
Duodenal and Gastric Ulceration, Gastric Neurectomy for 1.
Duplications of the Alimentary Tract, 289.
DYNIEWICZ, JOSEPHINE, *et al.*: Studies in Postoperative Convalescence, 592.

E

Effect, of Heparin upon Intra-Abdominal Adhesions in Rabbits, 324; of Rotation on the Circulation of the Lower Extremities, 243; of Vagotomy on Human Gastric Function, 655; on Venous Endothelium of Alterations in Blood Flow through the Vessels in Vein Walls, and the Possible Relation to Thrombosis, 270.
EISEMAN, BEN, *et al.*: Talcum Powder Granuloma: A Frequent and Serious Postoperative Complication, 820.
Elbow and Shoulder Lesions Distinctive of Baseball Players, 107.
Embolism, Pulmonary, Intravenous Oxygen and, 208.
End Results, a Study of: Subtotal Gastrectomy for Gastric Ulcer, 633.
Endoaneurysmorrhaphy, Restorative, by Vein Graft Inlay, 841.
Endothelium, Venous, Effects on, of Alterations in Blood Flow through the Vessels in Vein Walls, and the possible Relation to Thrombosis, 270.
Enema Tube Perforation of the Colon, 377.
Epilepsy, Focal, Treatment of, by Cortical Excision, 740.
Essential Therapeutic Adjuvants in the Surgical Arrest of Wolff-Israel Actinomycosis, 568.
Evaluation of Methods of Penicillin Therapy in Thoracic Surgery, 579.
EVANS, EVERETT I., and VAN SLYKE, K. KELLER: The Paradox of Aciduria in the Presence of Alkalosis caused by Hypochloremia, 545.
Excision, Cortical, Treatment of Focal Epilepsy by, 740.
Experiences in the Surgical Treatment of Multiple Visceral Neoplasms, 780; with a Bone Bank, 932.
Experimental Gas Gangrene, Toxoid Immunization in, 509.
Extremities, Lower, Effect of Rotation on the Circulation of the, 243.
Extremity, How Long Should it be Immobilized after Nerve Suture? 366.

F

Facial Injuries, Major, Repair of, 624.
Factors Limiting Surgery for Essential Hypertension, 535.
Familial Hemolytic Anemia and its Surgical Aspect with Special Reference to a Case Complicated by the RH Factor, 990.
Fibers, Nerve, Question of Regeneration of, to the Human Adrenal Gland after Bilateral Sympathectomy, 332.
FINE, JACOB, *et al.*: On the Specific Role of the Liver in Hemorrhagic Shock, 1002.
Fistula, Arteriovenous, Pulmonary Cavernous Hemangioma with, 965; Spontaneous, Ileocolic: A Complication of Carcinoma, 246.
Fistulae in Ano, Resection of, Successful Method for Securing Primary Wound Healing after, 320.
Fluid Therapy of the Burned Patient, Redistribution of Body Water and the, 1010.
Focal Epilepsy, Treatment of, by Cortical Excision, 740.
FOOT, N. CHANDLER, and MAISEL, BERNARD: Multiple Polyposis of the Colon with Malignant Change Involving Colon and Appendix, 262.
Fractures, Gangrene (Noninfective) Complicating, 98.
FRANK, HOWARD A., *et al.*: On the Specific Role of the Liver in Hemorrhagic Shock, 1002.
FREEMAN, NORMAN E., *et al.*: Sympathectomy for Obliterative Arterial Disease; Indications and Contraindications, 873.
FURSTE, W. L., *et al*: Toxoid Immunization in Experimental Gas Gangrene, 509.

G

GAGE, MIMS, *et al.*: Essential Therapeutic Adjuvants in the Surgical Arrest of Wolff-Israel Actinomycosis, 568.
Galibladder, Congenital Absence of, 229.
Gangrene, Gas, Experimental, Toxoid Immunization in, 509; (Noninfective) Complicating Fractures, 98; of Meckel's Diverticulum and Intestinal Obstruction, Persistent Omphalomesenteric (Vitelline) Artery Causing, 358.
Gangrenous or Non-reducible Intussusceptions in Children, Resection and Primary Anastomosis in the Treatment of, 788.
GARDNER, RICHARD E., *et al.*: Sympathectomy for Obliterative Arterial Disease; Indications and Contraindications, 873.
Gas Gangrene, Experimental, Toxoid Immunization in, 509.
Gastrectomy, Subtotal, for Gastric Ulcer: A Study of End Results, 633; Total, and Gastro-esophageal Resection in the Treatment of Bleeding Varicose Veins in Banti's Syndrome, 397.
Gastric and Duodenal Ulceration, Gastric Neurectomy for, 1.
Gastric Function, Human, Effect of Vagotomy on, 655.
Gastric Neurectomy for Gastric and Duodenal Ulceration, 1.
Gastric Ulcer, Subtotal Gastrectomy for: A Study of End Results, 633.
Gastro-esophageal Resection and Total Gastrectomy in the Treatment of Bleeding Varicose Veins in Banti's Syndrome, 397.
Gelatin Sponge "Patch" Technic, Control of Hemorrhage from Wounds of the Heart by the, 973.
GILCHRIST, R. K., and DAVID, VERNON C.: A Consideration of Pathological Factors Influencing Five-year Survival in Radical Resection of the Large Bowel and Rectum for Carcinoma, 421.
GLENN, FRANK: Acute Cholecystitis following the Surgical Treatment of Unrelated Disease, 411.
GLICKMAN, NATHANIEL, *et al.*: Studies in Postoperative Convalescence, 592.
Goiter, Mediastinal Aberrant, 797.
Graduate Training in Surgery in Veterans Administration Hospitals, 500.
Granuloma, Talcum Powder: A Frequent and Serious Postoperative Complication, 820.
GRISWOLD, R. ARNOLD, and SCHOEN, ARTHUR M.: The Effect of Vagotomy on Human Gastric Function, 655.
GROVER, HARLE B., *et al.*: Familial Hemolytic Anemia and its Surgical Aspect with Special Reference to a Case Complicated by the RH Factor, 990.

H

HAGE, W. J., *et al.*: Congenital Absence of Gallbladder, 229.
HARNER, J. W., and WATT, CHARLES H.: Bezoars causing Acute Intestinal Obstruction, 56.
HARPER, PAUL V. JR., *et al.*: Section of the Vagus Nerves to the Stomach in the Treatment of Peptic Ulcer, 687.
Heart, Control of Hemorrhage from Wounds of the, by the Gelatin Sponge "Patch" Technic, 973.
HEINBECKER, PETER: Factors Limiting Surgery for Essential Hypertension, 535.
Hemangioma, Pulmonary Cavernous, with Arteriovenous Fistula, Surgical Management, 965.
Hemodynamic Phenomenon (Hemometakinesia), "Borrowing-lending," and its Therapeutic Application in Peripheral Vascular Disturbances, 850.
Hemolytic Anemia, Familial, and its Surgical Aspect with Special Reference to a Case Complicated by the RH Factor, 990.
Hemometakinesia, "Borrowing-lending" Hemodynamic Phenomenon, and its Therapeutic Application in Peripheral Vascular Disturbances, 850.
Hemorrhage from Wounds of the Heart, Control of, by the Gelatin Sponge "Patch" Technic, 973.
Hemorrhagic Shock, Specific Role of the Liver in, 1002.
Heparin, Effect of, upon Intra-abdominal Adhesions in Rabbits, 324.
Hepatic and Common Ducts, Inflammatory Obliteration of the, following Cholecystectomy, 811.
Hernia, Sliding, Inguinal, Repair of, through the Abdominal (Laroque) Approach, 612.
HIRSCHL, DANIEL, *et al.*: Leiomyama of the Kidney, 220.
HOLDER, HALL G., and LEWISON, EDWARD F.: Management of Colostomies Performed for War Injuries, 253.
HORN, ROBERT C., JR., *et al.*: Carcinoma of the Thyroid, 140.
HORRAX, GILBERT: The Role of Pinealomas in the Causation of Diabetes Insipidus, 728.
Hospitals, Veterans Administration, Graduate Training in Surgery in, 500.
How Long Should an Extremity be Immobilized after Nerve Suture? 366.
HOWES, DORIS, *et al.*: Studies in Postoperative Convalescence, 592.
Human Gastric Function, Effect of Vagotomy on, 655.
Humanism and Science in Surgery, 381.
HUMPHREYS, ELEANOR M., and PHEMISTER, DALLAS B.: Gastro-esophageal Resection and Total Gas rectomy in the Treatment of Bleeding Varicose Veins in Banti's Syndrome, 397.
Hypertension, Essential, Factors Limiting Surgery for, 535.
Hypochloremia, Paradox of Aciduria in the presence of Alkalosis Caused by, 545.

I

Ileocolic Fistula, Spontaneous: A Complication of Carcinoma, 246.
Immunization, toxoid, in Experimental Gas Gangrene, 509.
Incontinence, Urinary, in Women, Surgical Cure of, 64.
Indications and Contraindications: Sympathectomy for Obliterative Arterial Disease, 873.
Infections, Surgical, Local Penicillin Therapy in, 315.

Inflammatory Obliteration of the Common and Hepatic Ducts following Cholecystectomy, 811.
Inguinal Hernia, Sliding, Repair of, through the Abdominal (Laroque) Approach, 612.
Injuries, Arterial, 866; Major, Facial, Repair of, 624; Spinal Cord, Studies upon, 472; War, Management of Colostomies Performed for, 253.
Inlay, Vein Graft, Restorative Endoaneurysmorrhaphy by, 841.
Intestinal Obstruction, acute, Bezoars causing, 56; Acute, due to Orange Pulp Bezoar, 251; and Gangrene of Meckel's Diverticulum, Persistent Omphalomesenteric (Vitelline) Artery Causing, 358.
Intra-abdominal Adhesions in Rabbits, Effect of Heparin upon, 324.
Intravenous Oxygen and Pulmonary Embolism, 208.
Intussusceptions, in Children, Resection and Primary Anastomosis in the Treatment of Gangrenous or Non-reducible, 788.
Invasion of the Ribs, Primary Carcinoma of the Lung, with, 156.
ISOE, ISADORE M., and SANDERS, JACK H.: Intravenous Oxygen and Pulmonary Embolism, 208.

J

JAMPOLIS, ROBERT W., *et al.*: Control of Hemorrhage from Wounds of the Heart by the Gelatin Sponge "Patch" Technic, 973.
JENKINS, HILGER PERRY, *et al.*: Control of Hemorrhage from Wounds of the Heart by the Gelatin Sponge "Patch" Technic, 973.
Joints, Major, Penetrating Wounds of, 947.

K

KEETON, ROBERT W., *et al.*: Studies in Postoperative Convalescence, 592.
